Special efforts will be made to render it still more interesting and valuable during the coming year. In addition to the usual ample and choice selections of Foreign and Domestic Literature, an increased amount of Original Matter, by the ablest American Writers, will be hereafter furnished. The number of Pictorial Embellishments will be increased; still greater variety will be given to its literary contents; its Editorial and Miscellaneous departments will be still farther enlarged; and no labor or expense will be spared to render it in every way, and in all respects, still more worthy of the extraordinary favor with which it has been received.

HARPER'S NEW MONTHLY MAGAZINE owes its success to the fact, that it presents more reading matter, of a better quality, in a more elegant style, and at a cheaper rate, than any other publication.

Subscribers in any part of the United States may now receive the Magazine by mail for three cents a number, or thirty-six cents a year postage, either of the Publishers, the Booksellers, or Periodical Agents.

What can be got for Five Dollars!! Grand Literary and Artistic Combination.

Arrangements have been made to furnish the Knickerbocker Magazine, the Home Journal, and the New York Musical World and Times, to new subscribers, for five dollars a year! This is cheap literature, with a vengeance. The Knickerbocker is \$3 per annum; the Home Journal, \$2; and the Musical World and Times, \$3; making \$8 a year at the usual rates. That three such works can be obtained for

five dollars a year, is a fact truly worthy the 'Calorie' age, which is just now being ushered in. Of the Knickerbocker Magazine, edited by Lewis Gaylord Clark, it is unnecessary to speak. For twenty years it has been the most genial, humorous, and spicy 'monthly' in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo. P. Morris and N. P. Willis, is well known as the best family newspaper in America; and the Musical World and Times, edited by Richard Storrs Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over \$25 worth of music and a full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to everything worth knowing:—Art, Science, Literature, music, painting, sculpture; inventions, discoveries; wit, humor, fancy, sentiment; the newest fashions and other attractions for ladies; choice new music for the Sabbath, the church, and the firesides; reviews and criticisms of Musical Works, Performers and Performances; in short, the very pick and cream of Novelty, Incident, History, Biography, Art, Literature and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it Better, Wiser, and Happier, may be now obtained for FIVE DOLLARS. Address DYER & WILLIS, 357 Broadway.

Prospectus to De Bow's Review. Adapted to the Southern and Western States of the Union; including statistics of foreign and domestic industry and enterprise. Published monthly in New Orleans, at \$5 per annum, in advance.

Complete sets of the work, ten volumes, bound handsomely, and for sale at the office, New Orleans, and will be supplied on order, deliverable in any of the large cities or towns. They are an invaluable repository of practical information regarding our country, and should have a place in every public and private library. A few sets only remain.

The Review is now rapidly growing in circulation, and will exhibit many great improvements in the coming year, in size, matter, and appearance. The following are its leading divisions:

I. LITERATURE.—Criticisms, essays, poetry, sketches of fact and fancy, summaries of foreign and domestic news, movements in New Orleans, &c.

II. COMMERCE.—Its history, laws and statistics, commodities, shipping, navigation, treaties, tariffs, exports and imports, trade of the South and West, home and foreign trade.

III. AGRICULTURE.—Discussion upon cotton, rice, sugar, tobacco, hemp, Indian corn, wheat, slavery and slave laws, &c.

IV. MANUFACTURES.—Progress of Manufactures in the South and West.

V. Internal Improvements.—Canals, Railroads, plankroads, general intercommunication South and West—in the Union and abroad.

VI. Statistics.—Complete tables upon a of the above heads—of population, resources, wealth, mortality, blacks and whites, &c.

Five Great Novelettes.—Great Attraction!! Some five or six weeks ago, we announced that we would publish five first-class novelettes, written expressly for the "Dollar Newspaper." Four we had in hand at the time, and the fifth has since come into our possession. The first is now nearly half through, and has everywhere been pronounced a story of great merit. The following is the order of publication:—The Emigrant Squire, by P. Hamilton Myers, Esq.; the Mad Artist, by John S.

A beautiful large size mezzotint Engraving, "The Harvester's Departure," or "The Harvester's Return," at the option of the writer, will be forwarded to every person sending us a club of Nine, or Twenty, with the cash. To insure the paper at the club rates, which are lower by 20 per cent. than any paper of equal size and character has ever been offered at, the full complement should be offered at one time. Additions to clubs will be made at the same rates.

Postage must be paid on all letters sent us. It is required, too, by the present postage law, that subscribers to weekly newspapers, to avail themselves of the cheap postage, must pay quarterly in advance. The postmasters, who are authorized agents for Scott's Weekly Paper, will explain the rates.

Copies of Scott's Weekly Paper will be sent as specimens to any address desired.

Harper's New Monthly Magazine. HARPER'S NEW MONTHLY MAGAZINE has already reached a regular monthly issue of more than 100,000 COPIES, and is still steadily and rapidly increasing. The Publishers have endeavored, by a well-directed use of the abundant resources at their command, to render it the most attractive and most useful Magazine for popular reading in the world; and the extent to which their efforts have been successful is indicated by the fact, that it has attained a greater circulation than any similar periodical ever issued.

Special efforts will be made to render it still more interesting and valuable during the coming year. In addition to the usual ample and choice selections of Foreign and Domestic Literature, an increased amount of Original Matter, by the ablest American Writers, will be hereafter furnished. NEVER FAILING REMEDY.

NEVER FAILING REMEDY.

HOLLOWAY'S OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING.

Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 20th, 1852.

To Professor HOLLOWAY.

DEAR SIR—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills; which has astonished every person acquainted with the sufferer. About 10 years ago, Mr. W. Cummins, of Baitney Street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at last a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

(Signed) J. THOMPSON.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a Letter from Mr. Hird, Draper, of Leeds, near Gainsboro', dated March 1st, 1852.

To Professor HOLLOWAY.

SIR—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was marvellous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

(Signed) J. HIRD, Draper.

CERTAIN REMEDY FOR SCORBUTIC HUMORS—AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker and Co., Chemists, Bath.

To Professor HOLLOWAY.

DEAR SIR—Among the numerous cures effected by the use of your valuable medicines in the neighborhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above 70 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter.

A private in the Bath Public Force, also, has been perfectly cured of an old scorbutic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, Dear Sir, Yours, faithfully,

April 6th, 1853. (Signed) WALKER & CO.

The Pills should be used conjointly with the Ointment in most of the following cases:—
